

## 2019 AGM TUNZ EXAMINATIONS COMMITTEE REPORT

The TUNZ Examinations Committee has finished work for now on the TUNZ/Kukkiwon Dan Grading Schedule and the TUNZ Colour Belt Schedule and both are now on the TUNZ website for use by instructors.

Master Lee Miller is continuing to work on the Student Log book, and this will hopefully be rolled out, and instituted, after the 2020 Instructors' Camp. Trials continue of the grading templates. With regard to the Student Log book – trials at a few TUNZ clubs are in progress and changes will be incorporated into the upcoming Student Log Book.

Master Lee Miller resigned from the Examinations Committee (except for finalising the Student Log book) after the completion of the grading schedules citing a great deal of work with his large club in Tauranga.

Master Sophia Haynes and Master Joan Fountain continue with the work of the Examinations Committee. Master Vijay Chhika continues in his advisory role.

Examiner seminars are planned for Wellington and Christchurch in June and July this year to ensure standardisation of examination practices.
