

To all Taekwondo New Zealand members and Representatives of Taekwondo Organizations in New Zealand

Subject: TNZ membership, elections and way forward

Date: 21st March 2018

Dear Madam/Sir,

As I understood, my previous letter caused for some confusion and questions. With this letter, I would like to make a few things clear for the sake of transparency.

In my ignorance, I assumed that the Auckland based Masters would be attending the South Budo Open event in Tauranga. Therefore, I scheduled my visiting days there as mentioned in my previous letter. As I received some feedback on this matter, I decided to stay in Auckland for meetings with you on 10, 11 and 12 April. I will be in Tauranga on 13 and 14 April and in Christchurch from 15, 16 and 17 April. Those representatives that already contacted me will receive an email with a proposed time, I just would like to ask them to send me options for meeting each other.

One other thing that might have caused some confusion is the financial arrangements surrounding my trip. As I am appointed by World Taekwondo (WT) as acting Interim Chair of the Interim Board, WT covers my travel expenses. The travel expenses of my wife are covered by myself. In addition, the hotel accommodation during my stay has been offered to me by TNZ and the organizer of the Budo South Open event in Tauranga.

Please contact me directly by kenneth@worldtaekwondoeurope.org if you have any questions on my trip or if you would like to meet me for discussing the future of TNZ. Thank you for your continuing support!

Yours sincerely
Taekwondo New Zealand

Kenneth Schunken
Acting Interim Board Chair
On behalf of the TNZ Interim Board
