

NEW YEAR'S MESSAGE

Dear friends,

The year 2018 has been very challenging for Taekwondo New Zealand and its members. The organization and Taekwondo as such had a difficult time in the past months but there is light at the end of the tunnel.

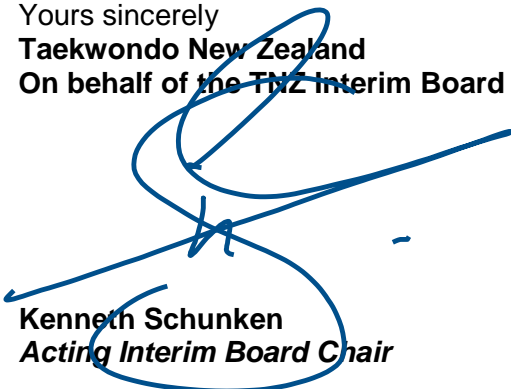

The Interim Board and the different volunteers throughout New Zealand are working hard to get TNZ back on the right track again. Being the Chairman of the Interim Board, thousands of miles away, communicating with the TNZ officials via the internet and working closely together to make TNZ better than it was, is an inspirational experience. Although the differences still remain, each and every one of you are doing their utmost to make the best of it, believing in the common goal that TNZ needs to be the best organization for its athletes!

The New Year will bring us even more challenges as we are going into a crucial final phase of the work of the Interim Board. A new Constitution is being prepared and elections are to be held in order to have TNZ working as a full member of World Taekwondo again. For this, we need the help of all of you. We need you to keep your focus on your goals, but also your flexibility to make TNZ work as an organization that is ready to face the future!

I wish you and your loved ones a healthy, prosperous and above all, a successful New Year!

Yours sincerely

Taekwondo New Zealand
On behalf of the TNZ Interim Board
